

APPLICATION FOR ELECTRIC SERVICE

The undersigned hereby requests that the City of Waterloo provide an electrical connection to the municipal electric system at the following described property to wit:

CONNECTION ADDRESS: _____

TYPE OF CONNECTION:

- | | | |
|-------------------------------|--------------------------------------|---|
| RESIDENTIAL: | <input type="checkbox"/> New Service | <input type="checkbox"/> Expanded Service |
| COMMERCIAL:
(Single Phase) | <input type="checkbox"/> New Service | <input type="checkbox"/> Expanded Service |
| COMMERCIAL:
(Three Phase) | <input type="checkbox"/> New Service | <input type="checkbox"/> Expanded Service |

CONNECTION FEE: Applicant tenders herewith the sum of \$_____ in payment of the electric connection fee. As an inducement of the City of Waterloo to accept this applicant, the applicant:

- 1) Agrees to pay for all electricity used on said premises at the rates provided by City Ordinance.
- 2) Agrees to abide by the rules and regulations of said City, and to further pay the minimum rate set by City Ordinance after electric service is available to said premises, but prior to usage by the applicant.
- 3) Agrees that the City assumes no responsibility for the interruption of service and the City shall have the right to discontinue service to said property for any of the following reasons:
 - a) When the safety of the general public is endangered or public convenience and necessity requires,
 - b) Defective wiring and equipment on said premises,
 - c) City maintenance and construction operations,
 - d) Violation of the City rules and regulations and/or failure to pay charges for service rendered.

All connections to the City Electric Utility Service shall be made by the City.

It is understood that there will be no additional charge for the installation of the service line (up to 200 feet). However, applicant will furnish the interior wiring, installed to meet the standard of the National Electric Code, most recent revision.

Connection charges must be paid in full to the City before the City commences work. In the event that additional charges become necessary because of unusual or unexpected circumstances, such charges must be paid in full to the City as soon as the work is completed. Under no circumstances will electric service be initiated until all connection charges are paid in full. Connection charges are non-refundable once work has commenced.

EASEMENT: Applicant by the execution hereof grants unto the City the right to install and maintain the electric service line on the property to be served by said line and the right to extend along and across such property for the making of other service connections from the same electric service line.

LANDSCAPING: The applicant hereby agrees to re-landscape, including seeding or sodding, any areas excavated and backfilled by the City and to hold the City harmless for subsidence or sinking of any excavated area on the property.

PROPERTY OWNER LIABLE: The owner(s) of any real estate or improvements thereon, or the owner of the beneficial interest of any trust holding title to land or improvements served hereunder shall be responsible for any delinquent charges for electric service to such real estate and/or improvements.

The applicant hereby agrees that the City is under no obligation, nor can it be held liable for any damages for not serving said premises, but it is understood and agreed that the above connection fee will be refunded upon applicant's request if electric service is not available within one (1) year from this date.

We, the undersigned, by execution of this agreement, hereby agree to be bound by all the terms and conditions set forth herein. The undersigned further agrees that the installation will not be placed in operation until proper inspection has been made by the Electric Inspector of the City of Waterloo; or his representative.
