

**Monroe County Veteran's Memorial
Paver Project at Lakeview Park in Waterloo**

The Waterloo Park District has established the Monroe County Veteran's Memorial in honor of all Veterans' that have served our country.

The memorial will include an expanded area of engraved 4" X 8" granite pavers where organizations, Veteran's and /or their families have the opportunity to purchase engraved 4" X 8" pavers as a lasting memory to honor military loved ones (Veterans of any military branch, living or deceased are eligible) who served our country.

The 4" X 8" granite pavers have sandblasted lettering with 3 lines of text with **14 characters/spaces** per line at a cost of \$50.00 per paver.

The funds raised through this ongoing campaign will be used for the Memorial's upkeep and items within the park, but not for daily operations.
