City Offers Direct Debit

Never worry about a late payment again! Simply complete an authorization agreement and each month your checking or savings account will automatically be debited on the due date of the bill. The City will continue to send you a copy of your monthly utility bill for your personal records. This is a free service.

If you'd like to sign up for this service, you can get a copy of the authorization agreement at City Hall or on our website, www.waterloo.il.us under the Bulletin Board.

Fireplace Safety

As the cold weather approaches, many households will be using their fireplaces. Having your fireplace or wood stove flue cleaned is a very important step in preventing a chimney fire. Also, burning only seasoned wood will contribute in keeping your flue clean.

If you think you have a chimney fire, close the fireplace doors and call 9-1-1 for your local fire department. A chimney fire can lead to a more serious situation.

Wishing everyone a safe and joyous holiday season.

Designate a Sober Driver

December has been designated National Drunk and Drugged Driving Prevention Month

The holidays are a wonderful time of year, filled with celebrations, time with loved ones and good cheer. Before you head out to the road, be responsible and be prepared. Don't drive impaired, don't let friends or family drive impaired and make sure everyone in your vehicle is wearing a seat belt. Help keep our roads safe this holiday season.
