Merry Christmas!

The Mayor, City Council and staff at City Hall would like to wish each of you a joyous holiday season and a healthy and happy new year. Thank you for everything you do throughout the year to make Waterloo such a great place to live.

Tired Teddies Stuffed Animal Drive

Strano & Assoc. Real Estate is collecting gently used stuffed animals. Stanley Steemer will clean and sanitize donated items for redistribution to First Responders in Monroe County, Children's Hospitals and the Salvation Army throughout the holiday season.

Please drop your stuffed animals off at:

Fishing Pier at Lakeview Park

The City of Waterloo is now the proud home of the Odd Fellows Accessible Fishing Pier, which is located on the middle lake at Lakeview Park. It is a great addition to our community and will help so many safely enjoy the great outdoors.

A big thank you to all of the organizations that contributed to the fishing pier:

Waterloo Odd Fellows Lodge No. 27	William Zimmer Family Foundation
AT&T	Huebner Concrete
Illinois American Water	Harrisonville Telephone Company
Waterloo Walmart	Little Caesars Pizza
Optimist Club of Waterloo	Prairie State Energy Campus
Waterloo Lion's Club	Waterloo Rotary Club
Waterloo Rural King	Backyard Bandits 4-H Club
Monroe County Highway Department	Monroe County Rotary Club
Rich Kinzinger Truck Service	Dallas & Jana Eytchison

Protect Your Pipes This Winter

Preparation is key to avoid frozen pipes. These tips will help you prepare and protect your pipes in winter weather. *Before cold weather...*

- **Know** what areas of your home are most vulnerable to freezing, such as basements, crawl spaces and unheated rooms.
- **Eliminate** sources of cold air near water lines by fixing windows, insulating walls, closing off crawl spaces and eliminating drafts near doors.
- **Know** where your main water shut off valve is located. If a pipe freezes or bursts, shut the water off immediately.
- **Protect** your pipes and water meter. Wrap exposed pipes with insulation or an electrical pipe heater. Keep the lid closed tightly on your meter and let any snow that falls cover it (snow acts as insulation).
