

## Waterloo German Band Santa Float Schedule

Be watching for the Waterloo German Band Santa Float! This one-of-a-kind experience will be visiting Waterloo subdivisions twice during the holiday season! The float will be lead by a City of Waterloo vehicle, specially fitted with red and green flashing lights and a loudspeaker! Of course, the Santa Float also plays Christmas music, so you will likely hear the float before you see it!

**Santa has a gift for everyone, including Fido!**
