Snow Removal Policy

The goal of the Waterloo Public Works Department is to provide snow and ice control in a safe, timely and cost-efficient manner. Below are a few highlights of the City's Snow Removal Policy and How Residents Can Help.....

- **Please park your car off-street whenever you can.**
- Please make sure that basketball goals and other obstructions are not placed in or adjacent to the street.
- Attempts will be made to keep excessive amounts of snow from accumulating at the end of driveways or in front of mailboxes. However, this is a reality of snow plowing and cannot be helped. Property owners are responsible for cleaning their driveway approaches and around mailboxes.
- The City will not be responsible for plowing alleys.

You can find the complete Snow Removal Policy on the City's website at waterloo.il.us.
