Holiday Trash Pickup Reminder

Trash WILL BE picked up on President's Day, February 18th, for all Waterloo residents.

This holiday season, we were in awe with how beautiful our city looked. We want to express a sincere **thank you** to all of the residents and businesses who spent the time to decorate. It truly felt magical driving the streets of Waterloo this year!

Snow Removal Policy

The goal of the Waterloo Public Works Department is to provide snow and ice control in a safe, timely and cost-efficient manner. Below are a few highlights of the City's Snow Removal Policy and How Residents Can Help.....

- **Please park your car off-street whenever you can.**
- Please make sure that basketball goals and other obstructions are not placed in or adjacent to the street.
- Attempts will be made to keep excessive amounts of snow from accumulating at the end of driveways or in front of mailboxes. However, this is a reality of snow plowing and cannot be helped. Property owners are responsible for cleaning their driveway approaches and around mailboxes.
- The City will not be responsible for plowing alleys.

You can find the complete Snow Removal Policy on the City's website at waterloo.il.us.

Bulk Water Sales

Due to maintenance, the City of Waterloo Bulk Water Sales will be closed beginning Monday, February 11th through and including Thursday, February 21st. Bulk Water Sales will resume at 8:00 a.m. Friday morning, February 22nd. Thank you for your patience and understanding.

Large Item Pickup

The City of Waterloo has contracted with Reliable Sanitation to pickup household items, that are not included in our regular scheduled pickup, four times each year. A special truck will be used on these days. Such items to include are old appliances, furniture, etc. that is too large to be included in the regular pickup. Doors, compressors, and electric motors must be removed from appliances.

Please keep special and regular trash pickup items separate. Items must be placed next to the curb and ready for pick up by 6:00 am. Limit 2 items per household.

Scheduled Dates for 2019: February 14, April 18, July 11, October 24

Visit the City's website at <http://www.waterloo.il.us/our-community/trash-recycling/large-item-pickup/> for a list of items that are not allowed.

Radon Awareness

January is National Radon Action Month! Radon is the leading cause of lung cancer among non-smokers and causes more than 20,000 deaths in the US annually. Radon is radiation and like all other forms of radiation, is completely invisible. Radon can cause extensive cell damage and creates the mutated cells that turn into cancer. Approximately 42% of Illinois homes have elevated radon levels.

Please take action by testing your home. Call Gloria Linnertz at 618-830-4660 for a \$10 test kit.

WSA Baseball Sign-Ups

The Waterloo Sports Association registration is ONLINE ONLY from February 1st through February 21st at www.waterloosports.ws. Divisions are listed online as well; eligibility is based on the child's age/grade at the time of registration.
