## Morrison-Talbott Library Card Drive

Morrison-Talbott Library would like to remind city residents that they are entitled to a free library card! With most schools doing remote learning, children do not have access to the school libraries right now. Morrison-Talbott is open and ready to help! For information on how to get your library card, call 939-6232 or email [mtl@waterloolibrary.org](mailto:mtl@waterloolibrary.org).

## In Search of Local WWII Veterans

Since we are unable to gather in person, the City of Waterloo, Waterloo Park District, VFW and American Legion are planning to host a virtual Veterans Day Ceremony, which will be posted to the City of Waterloo's website ([www.waterloo.il.us](http://www.waterloo.il.us)) and Facebook Page ([www.facebook.com/waterlooil](https://www.facebook.com/waterlooil)) on November 11th.

This year marks the 75th Anniversary of the End of WWII. Thus, we would like to include commentary and interviews from our local World War II Veterans. If you know someone that would be willing to participate, please contact Mayor Smith with the following information: Veteran's Name, Branch of Military, Rank, Dates Served and any Overseas Deployments. He can be reached by phone at 618-939-8600 ext. 200 or by email at [mayorsmith@waterloo.il.us](mailto:mayorsmith@waterloo.il.us). Social distancing, masks and safety measures will be in place during these recorded interviews, or family members may conduct the interviews at home.

Reminder: If **Second Sight Systems** has contacted you to replace your water meter, please call them at 618-368-2600 or email at [meters@sssrf.com](mailto:meters@sssrf.com) to set up an appointment. Rest assured, guidelines have been established for all of the field employees to follow the CDC's social distancing protocols related to COVID-19.
