

Street Committee Meeting

Monday July 02, 2018

5:45 p.m. Meeting called to Order

Attending: Aldermen Trantham, Heller, Thomas, Row, Buettner, Darter, Mayor Smith, Budget Director Kennedy and Public Works Director Birk.

1. Petitions by Citizens on Non-Agenda Items – None
2. Downtown Sidewalk Improvements – T. Birk asked for direction on the downtown Intersection Index (for handicapped accessible crossings) and advised the projected cost is approximately \$40,000.00 per intersection to meet the ADA requirements. He was directed to make the intersections of Mill & Church and Mill & Library ADA compliant using concrete in the crosswalks.
3. It was discussed that IDOT has crosswalks in the city on state highways that are not ADA compliant. We will discuss this at a later date.
4. Comments – Tim advised that he and Nathan Krebel have been discussing the issue of contractors not grading the developed lots to meet ADA sidewalk requirements. The committee discussed various ways to force the developers to meet the requirements for the proper grade elevation. Tim will check into this further.
5. Mayor Smith advised that someone tripped on the sidewalk in the Garden Place Area. No other information at this time.
6. Meeting adjourned with motion by Ald. Buettner, 2<sup>nd</sup> by Ald. Row with unanimous vote at 6:25 p.m.

Respectfully Submitted by Ald. Jim Trantham
