WJHS “NO U-TURN” – Jeff Prosise and Jessica Washhausen discussed the possible need for a No U-Turn sign on the island which separates North and South lanes of Bellefontaine near WJHS. After several minutes of discussion, it was decided that Capt. Prosise will monitor the traffic situation and come back with a recommendation.

ROGERS STREET TURN LANE - Jeff Prosise advised that traffic on Rogers (northbound) is driving in the Southbound lane to pass the stopped traffic on Rogers when they want to turn West on Hammacher. It was decided to check the possibility of extending the turn lane further South on Rogers. This will be discussed with Capt. Prosise at a later date.

Comments – N. Krebel advised that the ADA work at Church and Mill is progressing and wanted the committee’s opinion on extending the sidewalk on Church St. north to the alley and from the Church St. curb to the building side to eliminate the plant growth and general discouraging look of the area. There was concern expressed that if we do it for one we would have to do it for many. Ald. Buettner made motion to have N. Krebel approach the building owner to pay for concrete up to building. Ald. Thomas 2nd the motion. Motion was unanimous.

Ald. Row made motion to dismiss the meeting at 6:32 p.m. with 2nd by Ald. Heller .

Motion was unanimous.
