New Metering System

The City of Waterloo is transitioning to a new metering system for electric, water and gas. This updated technology will allow the City to read meters electronically and provide better services to our customers. Some of the benefits include:

- Better, more timely information
- Improved customer service, questions answered in real-time
- Improved outage response time
- Restoration verification without inconvenient callbacks
- Facilitation of move-ins/move-outs in real-time

There will be no rate increase to our customers as a result of this new technology. City employees will be installing the new equipment and new meters in all households and businesses beginning in May 2018. This process will take awhile and we will continue to provide updates. You will be notified when each meter is changed at your home by a door hanger, letting you know that the installation was successful. For questions or more information, please call us at 939-8600 ext. 216.

Home Alone Program

The City of Waterloo is again sponsoring a Home Alone Child Safety Program at City Hall on April 28th from 9 a.m. - 11:45 a.m. The Waterloo Fire Department, Waterloo Police Department, Monroe County EMA and Monroe County EMS will teach the children what to do in various situations - especially if they are home alone.

- Does your child know basic first aid?
- Does your child know stranger rules?
- Does your child understand how to contact you if they have problems?
- Can your child handle unexpected situations such as bad weather?

This program is recommended for children ages 8-13, but all are welcome.

RSVP to sdeutch@waterloo.il.us or 618-939-8600 ext. 211 with the child's name and age.

Coffee with a Cop

You are invited to join the Waterloo Police Department and Monroe County Sheriff's Department for coffee and conversation on Tuesday, May 8th from 9-11am at The Beacon (718 N Market). This event is part of "Respect for Law Week" hosted by the Waterloo Optimist Club. No agenda or speeches, just a chance to ask questions, voice your concerns and get to know the officers in your community.

Looking for Military Vehicles

Do you or someone you know own a piece of military equipment? Show it off at Military Heritage Day - a special event we are hosting on June 10th in honor of the Illinois Bicentennial! Call 618-939-8600 ext. 211 for more information.

Community Yard Sale

GLOW is hosting their annual Community Yard Sale on Saturday, June 2nd from 7am until 2pm. For a \$5 registration fee, you can be included in advertisements and your location placed on a map that will be distributed to shoppers. You may also choose to have your sale in the Waterloo Commuter Parking lot for \$10. For more information or to obtain your registration form, stop by City Hall or visit www.waterlooglow.com.
