Annual Consumer Confidence Report

The City of Waterloo's Annual CCR – Consumer Confidence Report – provides information on drinking water quality, systems management, statistical data and water conservation. The current report is now available for viewing online at the following URL address. For a paper copy of the report, either download and print or call 618-939-8600 ext. 225.

Host Families Needed

Educatus International is in search of host families for International Students coming to the Waterloo area to attend high school at Gibault Catholic High School. This is a wonderful opportunity to share Illinois and the United States with someone while you and your family learn about the student's culture/country as well. These are amazing young people that come from places like Vietnam, Korea, China, Thailand, Brazil, Germany, Italy, Turkey and Spain.

If you are interested in learning more about this unique opportunity, please contact Local International Coordinator Desiree Frasure at dfrasure.educatus@gmail.com.

When Storms Hit...

With all of these pop-up summer storms, we thought it would be a good idea to remind our residents of a few items:

1. First, it's a good idea to always be prepared - build an emergency kit and make a family communications plan, remove dead or rotting trees and branches that could fall and cause injury or damage during a severe thunderstorm, secure outdoor objects that could blow away or cause damage.
2. Sign up for CODE Red Emergency Notification System, so you will be aware when a dangerous storm is approaching. You can do this on our website: www.waterloo.il.us.
3. The City of Waterloo will pick up limbs after a storm, but you must call City Hall to be placed on a pick up list, and place the limbs curbside.

Savvy Caregiver Series

Human Support Services is pleased to announce that it has partnered with Age Smart in providing services to the Monroe County area. Currently, HSS is hosting a Savvy Caregiver Series; which is a 6-week course aimed at empowering caregivers to gain knowledge, skills and attitude for supporting loved ones with Dementia.

Please call Monica Vasquez at HSS for more information: 618-939-4444 ext. 1214.

Congratulations

Sunset Ford of Waterloo won the Presidential Award from Ford Motor Company. The award is given for outstanding customer service and sales performance. This is the eighth time Sunset Ford has won this award! Congrats on your continued success!

Reminder: The City of Waterloo is transitioning to a new metering system for electric, water and gas. City employees will be installing the new equipment and new meters in all households and businesses. You will be notified when each meter is changed at your home by a door hanger.
