Final Reminder: Water Line Identification

If you received a survey from us to identify your water line, please complete and return ASAP. All you need to do is check the appropriate box, sign, date and return to City Hall either by mail or drop it in the night drop. If you would like someone from City Hall to verify your water service line for you (this will take less than 5 minutes), we will be happy to do so. Please call Kelli at 939-8600 ext. 216 to set a date and time convenient for you. Thank you for your cooperation.
