Re:

Z-22-12-01 Text Amendment – Convenience Store

On May 2, 2022 City Council passed Ordinance No. 1850 which added "convenience store" as a definition to the Zoning Code:

CONVENIENCE STORE. A small retail, quick serve, establishment that stocks a range of everyday items such as coffee, groceries, snack foods, confectionery, soft drinks, tobacco products, over-the-counter drugs, toiletries, newspapers, magazines, and other sundries primarily for home consumption. The store can be licensed to sell alcohol and/or the retail sale of motor vehicle fuels. Convenience stores shall be less than 3,000 square feet in floor area, with a maximum of 35% of the floor area dedicated to the sale of alcohol products. A convenience store cannot sell anything contrary to federal, state, or local law.

Nick Patel is requesting approval from City Council for a text amendment to allow "convenience store" to be a permitted use in the B-2 list of permitted uses. Since B-2 General Business District is intended to provide for the establishment of certain highway oriented commercial activities I feel this is the perfect place to have a convenience store permitted use. The Planning Commission and Zoning Board of Appeals both gave a favorable recommendation. I also recommend approval.

Respectfully,

Nathan Krebel

Zoning/Subdivision Administrator

# MINUTES OF THE ZONING BOARD OF APPEALS MEETING HELD ON DECEMBER 15, 2022

The meeting was called to order by Vice-Chairman Ken Gibbs at 7:33 PM

Roll call was taken: Present: Poettker, Loerch, Boothman and Gibbs
Absent: Spielman, Powell and Hartman

Vice-Chairman Gibbs asked if there were any additions or corrections to the minutes of the November 17, 2022 meeting. The following change was recommended:

• Under Petition Z-22-11-01, second paragraph, last sentence change "The home on the property...." to "The homes on the property...."

A motion was made by Loerch and seconded by Poettker to approve the minutes of December 15, 2022 as amended. Motion carried.

The Vice-Chairman asked if there were any petitions by citizens on non-agenda items. There were none.

The Vice-Chairman also asked if there were any corrections or deletions to the agenda. There were none.

The Vice-Chairman commented that only four members of the Zoning Board of Appeals were present and this constitutes a quorum. Per the Code of Ordinances, an affirmative vote of four members will be necessary to authorize any action of the Board. Therefore, all of the members present this evening will need to vote affirmatively for any action to be taken on tonight's petitions.

#### **PETITIONS:**

Z-22-12-01 Review and Comment on a Petition to consider a Zoning Text Amendment to add "convenience store" as a permitted use in the B-2 zoning district as per 40-2-3(B) as requested by petitioner, Nick Patel.

Mr. Nick Patel, the petitioner, was present to speak on behalf of this petition. Mr. Patel stated he would like to open a Sav-On Liquor and Wine convenience store in the Market Street Plaza. The store would sell soft drinks, tobacco products, cigars, chips, over-the-counter drugs and other sundries. Mr. Patel further stated he currently owns eight (8) service stations with convenience stores, a hotel and several car washes. The storefront he is looking at is approximately 4,400 sq. ft., and he estimates the retail area will be roughly 2,600 sq. ft.. Less than 35% of the retail space will be for liquor sales. He would also like to obtain a gaming license for a poker machine. Board member Poettker reiterated to the petitioner that a convenience store could only have a maximum of 35% floor space dedicated to the sale of alcohol products. Mr. Patel commented that he understood. Clarification was also made that 35% of floor space for alcohol products not only

included the public use space, but also any cooler space containing alcohol. A question arose about whether a convenience store should be a "special use permit" or a "permitted use" in a B-2 zoned district. After a short discussion, the consensus was that a convenience store should be a "permitted use" in a B-2 zoned district.

Motion was made by Boothman and seconded by Poettker to recommend approval for a Zoning Text Amendment to add "convenience store" as a permitted use in the B-2 zoning district as per 40-2-3(B) as requested by petitioner, Nick Patel.

Members voted as follows: <u>YES</u> – Boothman, Poettker, Loerch and Gibbs.

Motion carried.

Z-22-12-02 Review and Comment on a Petition for a Zoning Text Amendment to add "pet washing and grooming" as a permitted use in the B-3 zoning district as per 40-2-3(B), as requested by petitioners Justine Hennrich & Kelsie Felix.

Ms. Justine Hennrick, the petitioner, was present to speak on behalf of this petition. Ms. Hennrick is the owner of Adorable Beast Grooming. A fire recently damaged their business on Park Street, and they are looking to relocate the business to 203 West Mill. The business consists of dog grooming with a small retail shop selling dog grooming supplies. The future location on West Mill is currently not zoned for "pet washing and grooming" and the petitioners would like to change the permitted use of a B-3 zoned district to include this type of business. They typically groom about four (4) dogs each hour. There will be no boarding of animals or overnight stays.

Motion was made by Poettker and seconded by Loerch to recommend approval for a Zoning Text Amendment to add "pet washing and grooming" as a permitted use in the B-3 zoning district as per 40-2-3(B), as requested by petitioners Justine Hennrich & Kelsie Felix.

Members voted as follows: <u>YES</u> - Poettker, Loerch, Boothman and Gibbs. Motion carried.

# Z-22-12-03 Review and Comment on a Petition for a Zoning Text Amendment to modify the accessory building section 40-3-2 to allow pre-manufactured patio cover kits.

The Zoning Administrator spoke on behalf of this petition by the City of Waterloo. Premanufactured patio cover kits (gazebo-type structures) are becoming more popular. They are readily available and cheaper than a screened in porch. However, they do not meet the Zoning Code for an accessory structure. There have been numerous discussions over whether these patio kits should be classified as a temporary or permanent building. If the City classified these patio cover kits as an accessory structure, several changes would need to be made to the Zoning Code before they would conform to the code. The Ordinance Committee requested input from the Planning Commission and the Board of Appeals. The Planning Commission thought requiring a permit for these kits was over and above what the City should be governing and gave this

Petition Number: <u>Z-22-12-01</u>
Type of Petition: Special Use Permit (Zoning Text Amendment) (other)
As per Section 40-9-4 of the Waterloo Municipal Code
The effect the proposal would have on the City's Comprehensive Plan: <u>positive</u> — while the Code defines "Convenience Store", it doesn't include it as a Permitted or SUP in any zone. This text amendment closes that loop.
The effect the proposal would have on the health, welfare, safety, morals and comfort of area residents:  neutral/positive - B-2 seems the most logical zone to be consistent with the Code's intent
The effect the proposal would have on schools, traffic, streets, shopping, public utilities and adjacent properties:
Other legal requirements of considerations: We are counting on the City to handle larger quartions as to how many gaming licenses are allowed. It is clear gaming is a motivation for this petition.

Re:

Z-22-12-02 Text Amendment – Pet Washing & Grooming

Adorable Beast has been looking for a new commercial building to continue their dog grooming business since their current location at 411 Park Street caught fire. An opportunity came when J.P. Fitzgibbons and George Obernagel worked out an agreement to build a new commercial building to be located at 203 West Mill Street in which Adorable Beast would move their business to this location. The issue is that "Pet Washing and Grooming" is not a permitted use in the B-3 Zoned District. Currently there are dog grooming businesses in the R-3, B-2, B-3, and I-1 Zoned Districts, the closest one being located two buildings east of the subject property (Pampered Pooch).

The owners of Adorable Beast, Justine Hennrich & Kelsie Felix Nick Patel is requesting approval from City Council for a text amendment to allow "pet washing & grooming" to be a permitted use in the B-3 Zoned District. The Planning Commission and Zoning Board of Appeals both gave a favorable recommendation. I also recommend approval.

Respectfully,

Nathan Krebel

Zoning/Subdivision Administrator

#### **PETITIONS:**

Z-22-12-01 Review and Comment on a Petition to consider a Zoning Text Amendment to add "convenience store" as a permitted use in the B-2 zoning district as per 40-2-3(B) as requested by petitioner, Nick Patel.

Mr. Nick Patel, the petitioner, was present to speak on behalf of this petition. Mr. Patel stated he would like to open a Sav-On Liquor and Wine convenience store in the Market Street Plaza. The store would sell soft drinks, tobacco products, cigars, chips, over-the-counter drugs and other sundries. Mr. Patel further stated he currently owns eight (8) service stations with convenience stores, a hotel and several car washes. The storefront he is looking at is approximately 4,400 sq. ft., and he estimates the retail area will be roughly 2,600 sq. ft.. Less than 35% of the retail space will be for liquor sales. He would also like to obtain a gaming license for a poker machine. Board member Poettker reiterated to the petitioner that a convenience store could only have a maximum of 35% floor space dedicated to the sale of alcohol products. Mr. Patel commented that he understood. Clarification was also made that 35% of floor space for alcohol products not only

included the public use space, but also any cooler space containing alcohol. A question arose about whether a convenience store should be a "special use permit" or a "permitted use" in a B-2 zoned district. After a short discussion, the consensus was that a convenience store should be a "permitted use" in a B-2 zoned district.

Motion was made by Boothman and seconded by Poettker to recommend approval for a Zoning Text Amendment to add "convenience store" as a permitted use in the B-2 zoning district as per 40-2-3(B) as requested by petitioner, Nick Patel.

Members voted as follows: <u>YES</u> – Boothman, Poettker, Loerch and Gibbs.

Motion carried.

Z-22-12-02 Review and Comment on a Petition for a Zoning Text Amendment to add "pet washing and grooming" as a permitted use in the B-3 zoning district as per 40-2-3(B), as requested by petitioners Justine Hennrich & Kelsie Felix.

Ms. Justine Hennrick, the petitioner, was present to speak on behalf of this petition. Ms. Hennrick is the owner of Adorable Beast Grooming. A fire recently damaged their business on Park Street, and they are looking to relocate the business to 203 West Mill. The business consists of dog grooming with a small retail shop selling dog grooming supplies. The future location on West Mill is currently not zoned for "pet washing and grooming" and the petitioners would like to change the permitted use of a B-3 zoned district to include this type of business. They typically groom about four (4) dogs each hour. There will be no boarding of animals or overnight stays.

Motion was made by Poettker and seconded by Loerch to recommend approval for a Zoning Text Amendment to add "pet washing and grooming" as a permitted use in the B-3 zoning district as per 40-2-3(B), as requested by petitioners Justine Hennrich & Kelsie Felix.

Members voted as follows: <u>YES</u> - Poettker, Loerch, Boothman and Gibbs. Motion carried.

# Z-22-12-03 Review and Comment on a Petition for a Zoning Text Amendment to modify the accessory building section 40-3-2 to allow pre-manufactured patio cover kits.

The Zoning Administrator spoke on behalf of this petition by the City of Waterloo. Premanufactured patio cover kits (gazebo-type structures) are becoming more popular. They are readily available and cheaper than a screened in porch. However, they do not meet the Zoning Code for an accessory structure. There have been numerous discussions over whether these patio kits should be classified as a temporary or permanent building. If the City classified these patio cover kits as an accessory structure, several changes would need to be made to the Zoning Code before they would conform to the code. The Ordinance Committee requested input from the Planning Commission and the Board of Appeals. The Planning Commission thought requiring a permit for these kits was over and above what the City should be governing and gave this

## Letter of Intent to Rezone

Dear Council,

We are writing to you in consideration of recent developments concerning our shop location at 411 Park Street. As you know, there was a fire in the commercial building located at the above-mentioned address, temporarily closing not only our business, Adorable Beast, but also Full Throttle, and Glenn Reams Orthotics & Prosthetics. Given the severity of the damages to the building in total, estimated repairs are expected to take well over 15 months. As such, to expedite our shop's re-opening, we are looking to relocate.

The intent of writing this letter is to request a rezoning of the property located at 203 W Mill Street for commercial dog grooming. Pampered Pooch, located at 127 W Mill Street, is of a similar business model and in proximity of our new, potential, location. And, while not directly on Mill Street, there are many other grooming businesses in the immediate area, including Barking Boutique Pet Salon at 217 Westview Plaza Drive, Jude's Dog Grooming at 305 Moore Street, Barking Boutique Pet Grooming at 411 West 3<sup>rd</sup> Street, and Three Tails Parlor and Pantry at 401 W 3<sup>rd</sup> Street.

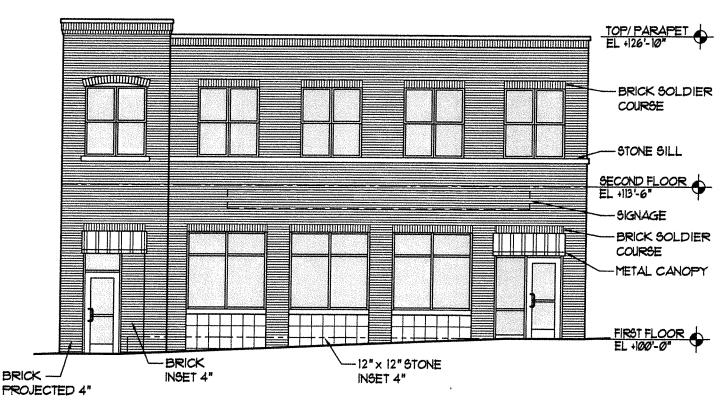

Are hope being that, upon rezoning of the property, our landlord can start the construction of our next location and that business can resume in 6 months' time. We appreciate your time and consideration, and graciously await your decision.

Best Regards,

Kelsie Felix & Justine Hennrich

## Memorandum

To:

Mayor Smith & City Council

From:

Nathan Krebel

Date:

12-28-2022

Re:

Remlok Phase 5 Preliminary Plat

Dennis & Virginia Brand are requesting approval from City Council to accept the proposed Preliminary Plat for Remlok Phase 5. This Plat is the subdivision of Lot 92 in Remlok Phase 4. This will consist of a public street to the proposed Phase 5 development. Note, Dennis Brand is finalizing the creek crossing which will be reviewed along with sanitary sewer, storm sewer, water detention, and water main improvements during the improvement plan stage. Public Works Department, Zoning Department, and HMG reviewed and approved. Planning Committee recommended moving forward at their June 6<sup>th</sup>, 2022 meeting and Planning Commission gave a positive recommendation at their June 13<sup>th</sup>, 2022 meeting. I recommend approval of the Remlok Phase 5 Preliminary Plat.

Respectfully,

Nathan Krebel

Zoning/Subdivision Administrator

- 3. Discussion & Recommendation to the Planning Commission for Creek Crossing in Remlok Subdivision - For the next phase of Remlok there is a lot across the creek which is six acres, currently there are three options on the table. Option one is to build a city street with a bridge structure across to make four additional lots. Option two is to make a private lane across the creek for one lot. Option three is to leave the property as is in farmland. Zoning Administrator Nathan Krebel showed the committee a picture of the structure that is under the street in the Silver Creek subdivision. That has been in use now for almost 20 years, it gets inspected every three years and at this time it shows little to no wear and has passed inspection every time without issue. Dennis Brand explained that he has had a water hydraulic test conducted on the creek and it should be able to use the same type of structure that was used in Silver Creek. The builder would be responsible for the cost of putting in the structure and road then after the final plat was approved, the city would take over the maintenance of the road and creek crossing. Alderman Steve Notheisen made a recommendation to the planning commission that the Planning Committee would be in favor of any of the three listed options. Alderman Matt Buettner seconded the recommendation. All other committee members were in favor. Zoning Administrator Nathan Krebel then brought up for informational purposes that future Phase 5 in Remlok will possibly be another creek crossing with a similar bridge design as discussed. This would connect Remlok Subdivision with Legacy Subdivision. Dennis Brand thought that would be in the best interest of the city to let EMS, Fire, Police, School buses and residents pass easily between those two developments. No action is needed by the Committee at this time.

### **PETITIONS:**

### P-22-06-01 Review and comment on a sketch plat for Remlok Phase 4 – subdividing Lot 92.

Brands present to represent their petition. Lot 92 is across the creek from the rest of Phase 4. There is an ongoing hydrologic study for the creek crossing. If they can't cross the creek they plan to leave Lot 92 as agriculture, and the final decision will be made on the final plat. The development of Lot 92 would be post Phase 4 development and pending hydrologic study results, would subdivide Lot 92 into 4 lots.

There are currently 3 options for Lot 92: agriculture, 1 lot with private drive, street with 4 lots.

Lutz asks about how difficult it would be to get utilities there. Brand responds that utilities are already there (gas, water, electric, sanitary sewer).

Voelker, Gaitsch, Pitman, and Hicks think it is a good way to subdivide Lot 92 pending the results of the hydrologic study.

The Brands received a favorable recommendation from the Planning Committee.

If Lot 92 were to be subdivided into 4 lots, Brand would build the bridge, and the City of Waterloo would take over maintenance. Here, the creek has a solid rock bottom with hard limestone bedrock. Lutz recommends caution for the city to maintain going forward with bridge,, just in case, because it is the only way in and out of that area for 4lots. It would be a big loss for a city if the bridge were to fail.

Lutz also comments that cast arch bridges can cause scour issues, but not necessarily on bedrock, and Brands must be careful with installation.

Recommendation: A Motion was made by Voelker and seconded by Gaitsch for a favorable recommendation to approve the sketch plat as is.

### Members voted as follows:

YES - Hicks, Lutz, Voelker, Gaitsch, Pittman

### P-22-06-02 Review and Comment on a sketch plat for Remlok Phase 5.

Brands present to represent their petition.

The hydrologic study is also being conducted on a creek crossing for Phase 5.

Phase 5 of Remlok will not connect to Phase 4. The hope is to connect Legacy and Remlok subdivisions in a future phase.

Hicks likes that it is not random and makes sense for the two subdivisions to connect.

Recommendation: A Motion was made by Lutz and seconded by Pittman for a favorable recommendation to approve the sketch plat as is.

Members voted as follows:

YES - Hicks, Lutz, Voelker, Gaitsch, Pittman

Z-22-06-01 Review and Recommend to the Zoning Board of Appeals to add a text amendment to the Special Use Permit Section 40-9-11 "Permit to Run with Land or Owner"

Krebel explains that the purpose of this is to recommend is a special use permit run with the land or owner. Historically, the special use permit runs with the land. The city's attorney, Krebel, and Planning Committee are all comfortable with the SU Permit staying with the land.

Gaitsch commented that it is a good idea to put this into writing so that we don't need to decide every time a special use permit is petitioned.

Lutz said the wording works well and that we're staying consistent with past practices.

Hicks said it is good as long as we have the option to make an exception.

Recommendation: A Motion was made by Gaitsch and seconded by Lutz to recommend the addition of a text amendment to Special Use Permit Section 40-9-11 as written.

Members voted as follows:

YES - Hicks, Lutz, Voelker, Gaitsch, Pittman

Z-22-06-02 Review and Recommend to the Zoning Board of appeals a Petition for a Special Use Permit for a Home Occupation (Heating & Cooling) to be located at 104 Osterhage Drive – Apt B, Waterloo, IL Parcel No. 08-19-366-003-000 as requested by the tenant, Phillip Wamble.

Petitioner was not present to answer questions. Additionally, the Planning Commission received negative feedback from neighbors.

Recommendation: A motion was made by Lutz and seconded by Gaitsch to recommend against approval of the home occupation special use permit.

Members voted as follows:

YES - Hicks, Lutz, Voelker, Gaitsch, Pittman

**NEW BUSINESS:** There was none.

**COMMENTS:** There were none.

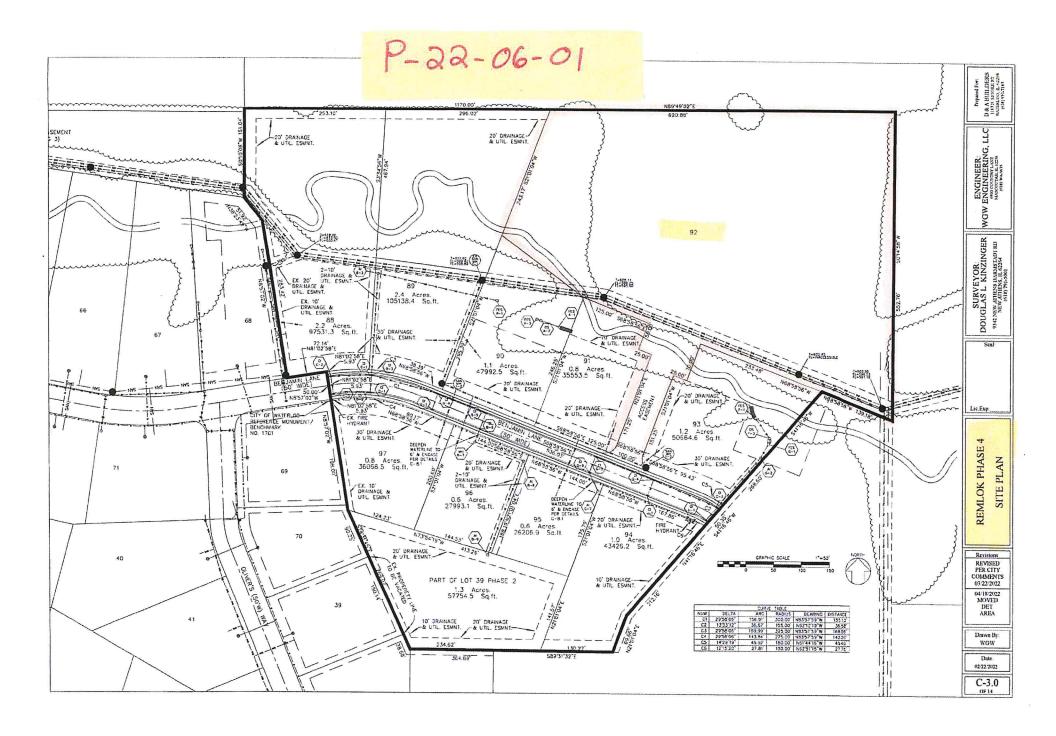

Motion to adjourn the meeting at 8:23PM was made by Pittman and seconded by Lutz. Motion carried. Minutes respectfully submitted by Lauren Voelker.
