Health Insurance Update- Eric File of CBIZ discussed the January rate increase of 6.7%. This is higher than anticipated, but Eric showed that our claims history for 2016 was above 90%, causing the increase. After discussion, it recommended that we accept the increase that helps us get to a 1/1 start date going forward.

Eric updated the committee and employees on a new HRA administrator, that will help streamline the claims process. Hopefully we will start with the new company in January. The cost to the city will increase from \$3,000 to \$5,000 per year. This will require council approval as well.

Motion to adjourn by Clyde H., 2nd by Steve N. Motion passed 4-0.
