1. Petitions by Citizens on Non – Agenda items. None
2. Committee Meeting Payments. The Committee discussed adding the City Clerk to all the Committees, that would let the City Clerk get paid to take the minutes for all the cities committee meetings in the future. Currently the chair of the committee runs the meeting and takes the minutes. Each chairman takes minutes in a slightly different fashion. This would provide uniformity to all the minutes that are submitted and posted on the website. Alderman Russ Row made a motion to add the City Clerk to all the committees to provide the minutes. Alderman Gary Most seconded the motion. All members in favor, motion passed.
3. Mobile Vendors. Under the current ordinance for Mobile Vendors every mobile vendor must be approved by the city council except for the events listed in the ordinance. The Farmers Market of Monroe County NFP would be a listed event that would allow mobile vendors and any event at the Monroe County Fair Grounds would be allowed to have mobile vendors. Alderman Jim Hopkins made a motion to update the list to include the Farmers Market and the Fairgrounds. Alderman Russ Row seconded the motion, all members in favor. Motion passes.
4. Comments – Mayor Stan Darter expressed a desire to add a new committee, the City of Waterloo owns various properties in and around the City of Waterloo and he would like to make a committee that would make decisions regarding those properties soon.
