Outdoor Dining

Group discussion about the Draft Ordinance Allowing and Permitting Outdoor Dining on Public Right-of-Way (see attached)

The Draft was accepted with the following 3 additions/clarifications

- 1) Smoking will not be Permitted in any outdoor area designated for Dining.
- 2) Handicapped Parking cannot be Used for Outside Dining or blocked in any way
- 3) Business Owners not using the Public Right-Of-Way parking spaces in front of their business are permitted to designate 2 of those Parking Spaces for “Curbside Pickup Only” with an Orange Cone and Signage provided by the Business.

Steve Notheisen made a motion to accept the Draft with the noted changes, Clyde Heller 2nd the motion. Motion carried on a 3-1 vote.

On Monday June 1, City Council will Review how well this temporary process worked and make adjustments as necessary.

Comments

Nathan Krebel presented a sample of a Roofing Material requested for use by Casa Romero Restaurant. This metal light weight roofing product made by Tilcor is designed to look like Clay Tiles.

Recommendation made to allow use of this product on a Case by Case Basis.

Motion made by Clyde Heller to adjourn, 2nd by Steve Notheisen, meeting adjourned at 5:17pm.
