DEFINITIONS & DIAGRAMS

SIGN Any inscription written, printed, painted, or otherwise placed on a board, plate, banner or upon any material, object or device whatsoever, which by reason of its form, color, wording or otherwise, attracts or is designed to attract attention to the subject thereof, or is used as a means of identification, advertisement, or announcement. The term shall apply only to on-premise signs which attract attention to the sign from outside of a building or structure.

SIGN, WALL Any sign painted on, attached to, or erected against the wall of a building or structure, with the exposed face of the sign in a plane parallel to the plane of said wall and extending not more than 24 inches from the face of the wall.

SIGN, MONUMENT A low-profile, freestanding sign limited to a maximum height of six feet.

SIGN, FREESTANDING A detached sign which is permanently supported by one or more uprights, poles or braces in the ground.
