Instructions to Applicants: To request a change in either the zoning map or text, this application for a zoning amendment must be completed and a public hearing held. If the applicant is requesting that his property be rezoned, a site plan must be included with the application showing the information listed on the attached sheet. Normally there are only two primary reasons for a change in zoning: 1) the original zoning was in error; 2) the character of the area has changed to such an extent as to warrant rezoning. The burden of substantiating evidence rests with the applicant.

A notice of the hearing must be published in a newspaper of general circulation in the local area at least 15 days prior to the hearing. The publication cost must be paid by the applicant prior to the hearing. The applicant will be notified by mail of the time and place of the hearing at least 10 days prior to the hearing date. The applicant or his attorney or duly-authorized agent must appear at the hearing and present his case to the Zoning Board of Appeals/Planning Commission.
