# Come Grow With Us!

The Waterloo Garden Club  
brings together people  
interested in gardening and  
landscaping.

Members enjoy access to  
expert gardening knowledge,  
community service  
opportunities and...  
gardening friends!

**The club is free to join.**

For more information, contact  
Steve Notheisen  
618-340-5829

Our meetings are free  
to attend and open to  
the public, usually  
held at Morrison Talbott  
Library in Waterloo.

**Meetings start at 6:30pm  
every first Tuesday.  
A program follows at 7pm.**

## **Our Objectives Are:**

- To encourage an interest in gardening and related activities.
- To improve the quality of life within the community through gardening based service projects.
- To encourage the sharing of experiences and knowledge and love of gardening.
